

About Us...

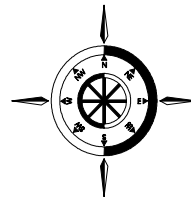

Our business is family owned and has been in existence in Kaufman County since 1972. Currently under the supervision of Registered Professional Land Surveyor Greg Sjerven, we strive to produce a product that represents the quality and attention to detail that we give each order. We value your business and look forward to the opportunity to handle all of your surveying needs.

Greg Sjerven has served as the County Surveyor for Kaufman County since 1999, where he serves as an advisor to the commissioner's court on matters relating primarily to subdivision regulations, county line location and boundary disputes.

Having served as a legal expert in numerous court cases concerning boundary disputes, his goal is to protect and preserve individual property rights.
